Dear Representative Hedke:

It is with great pleasure that the Kansas State Rifle Association Political Action Committee endorse you in the Primary Election for re-election to Kansas House District 99.

Our endorsement is based on the fact that you have consistently demonstrated a sincere and unwavering support for the most fundamental meaning of the Second Amendment. Your voting record reflects a long history of working towards protecting the Second Amendment rights of Kansans. Your commitment to protecting the Second Amendment and firearms rights is also expressed through the answers on your NRA candidate questionnaire, for which you earned an A rating. The KSRA completely concurs with this rating and you have our support.

Your respect and appreciation of the Constitutional Rule of Law reflects the most foundational values and principles that are greatly needed in this most turbulent time in American history. Thank you for being a strong leader and truly serving the people of Kansas responsibly. We know that you will continue to demonstrate your proven commitment to defend our rights protected by the Second Amendment.

The KSRA PAC is urging all KSRA members and law-abiding gun owners to support your candidacy and vote for you on August 5th. On behalf of our membership, thank you for your willingness to serve and desire to support Kansas gun owners, hunters and shooters.

Good luck with your campaign and we wish you success in the Primary Election.

Best Regards,

Patricia A. Stoneking
